3. TRIALS: Any case not scheduled for, or resolved at pretrial or by motion to the Court, if not already scheduled, shall be set for trial to the Court in a timely fashion. If a jury demand is timely filed in the case, then the case shall be scheduled for jury trial. Jury trials are normally scheduled on Fridays, but may be scheduled at other times. Attorneys must notify the Court in accordance with the Court's Jury Management Plan to avoid paying jury fees.

4. PLEA:

RULE NUMBER 9

BAIL - FINES AND COSTS - RESTITUTION

1. The following shall constitute the schedule of bonds to be used for the release of persons before their appearance before the Court:

A. Misdemeanors:

Minor misdemeanor/Unclassified misdemeanor	\$500.00 O.R.
Fourth degree misdemeanor	250.00 O.R.
Third degree misdemeanor	500.00 O.R.
Second degree misdemeanor	750.00 O.R.
First degree misdemeanor	1,000.00 O.R.

In these cases, the above shall be on own recognizance unless otherwise stated by the Court. If the police officer or prosecutor has reasonable cause to believe that an own recognizance bond is insufficient, the Judge shall be contacted for additional authority.

The following misdemeanor charges, regardless of being charged under the Ohio Revised Code, local ordinance or other statutory provisions shall have bail set by the Judge.

1. Domestic violence (2919.25) or any other offense of violence if the victim is a family or household member (see R.C. 2919.251).
2. Violation of any protection order or condition of probation involving no contact

with specified persons or places.

3. The following offenses if the accused was subject to a protection/no contact order, and/or has a prior conviction involving the same complainant/victim: 2903.12, 2903.13, 2903.21, 2903.211, 2903.22, 2911.211, 2919.27, or any sexually oriented offense as defined by 2950.01.

4. Any other offense when the victim, police officer, or prosecutor is seeking a protection order, no contact order, or other conditions of bond. No bond shall be required in a minor misdemeanor case if processed by the Violations Bureau.

A misdemeanor, for which the maximum fine is greater than that of a minor misdemeanor but for which no jail sentence is provided, shall be considered a fourth degree misdemeanor. A misdemeanor for which a jail sentence is provided (the maximum of which sentence is greater than that permitted for one degree but lesser than that permitted for the next higher degree) shall be considered an offense of the next higher degree. In all cases in which a jail sentence is a part of the permissible penalty, the maximum length of such sentence shall determine the degree of misdemeanor for purpose of this schedule.

B. Bond of the type described above or the deposit of driver's license under O.R.C. section 2935.27 or O.R.C. Section 2937.221 shall not be required of any person if, in the judgment of the arresting officer, the issuance of summons under Rule 4(F), such person may be released by the Clerk of this Court or officer in charge of the facility to which the person is brought, pursuant to Criminal Rule 46(D).

C. In determining whether to permit a recognizance or other unsecured bond or one of those bonds specified in Criminal Rule 46(D), such Clerk or officer may consider the residence of the person, the nature and gravity of the offense, family and community ties,

employment, and financial resources, character and physical, mental, and emotional condition of the person, past criminal or traffic record, history of appearance, or any fact permitted by O.R.C. Section 2935.26 and other relevant factors in particular cases.

D. There shall be no differentiation between traffic offenses and criminal offenses for the purpose of this bond schedule unless otherwise provided herein.

2. Unless otherwise specifically ordered by the Court, all monies for bail shall be deposited and accepted in the name of the Defendant only.
3. When a Defendant in a criminal or traffic case has been found guilty, all posted bail money shall be applied first to Court costs in all cases (from oldest to newest) and then to the fine in the oldest criminal/traffic case in which Defendant has an outstanding balance and shall next be applied to reduce arrearage in more recent criminal/traffic cases in like manner until all outstanding arrearages have been paid. Any remaining balance will be applied then to current fines and Court ordered restitution, in that order. When any of a Defendant's cases have been sent to collections, money will be applied first to all cases not in collections, and then collections cases. Any bail money remaining after the foregoing payments will be returned to the Defendant.
4. All monies paid after conviction by or for a person convicted of an offense will be applied in the manner above described.
5. Whenever a person is charged with any offense other than a traffic offense that is not a moving violation and posts bail, the person shall pay a surcharge of twenty-five dollars. The Clerk of Court shall retain the twenty-five dollars until the person is convicted, pleads guilty, forfeits bail, is found not guilty, or has the charges dismissed. If the person is convicted, pleads guilty or forfeits bail, the Clerk shall transmit the twenty-five dollars to the Treasurer of State on or before the twentieth day of the month following the month in which the person was convicted, pleaded guilty, or forfeited bail. The Treasurer shall deposit the twenty-five dollars into the indigent defense support fund created under Section 120.08 of the Ohio Revised Code. If the person is found not guilty or the charges are dismissed, the Clerk shall return the twenty-five dollars to the Defendant.
6. Felonies (including aggravated felonies)

Hardin County Municipal Court

RULE NUMBER 11

FAILURE TO APPEAR

1. TRAFFIC CASES: Failure of a Defendant to appear in response to a citation or summons shall cause the Court to proceed in accordance with Traffic Rule 7 and as follows:
 - A. The bond, if posted, shall be subject to forfeiture.
 - B. In cases other than minor misdemeanor traffic violations, the Defendant shall be notified to appear at a subsequent arraignment hearing and failure to appear will result in the issuance of a bench warrant, subject to appropriate bond.
 - C. If after notification to appear on a minor misdemeanor, an Ohio resident fails to appear within thirty (30) days, or fails to pay the waiver amount for such violation(s), the Court will forward to the Bureau of Motor Vehicles a Declaration forfeiting Defendant's driving privileges until such violation(s) are paid in full per Ohio Revised Code.
 - D. Failure of a non-resident to appear will result in proceedings in accordance with the non-resident violator compact.
2. CRIMINAL CASES: If a Defendant fails to appear in response to a citation or summons, proceedings will be as above provided the extent applicable.

RULE NUMBER 12

CASE MANAGEMENT FOR CIVIL CASES

1. **PURPOSE:** The purpose of this rule is to establish a system for the speedy resolution or disposition of all civil cases, which will also achieve and promote the fair and impartial administration of justice.
2. **SCHEDULING OF EVENTS:** The scheduling of a case begins when it is filed. Thereafter, all civil cases shall be governed by the following procedures:
3. **SERVICE:**
 - A. Summons shall be served in accordance with the Ohio Rules of Civil Procedure. In the event there is a failure of service, the Clerk shall notify counsel immediately. If counsel fails to obtain service of summons within two (2) months from the date of the filing of the action, the Clerk shall notify counsel that the case will be dismissed within ten (10) days unless good cause is shown to the contrary.
 - B. Upon perfection of service, the Clerk shall notify counsel of any default. Counsel shall be required to submit a default entry within ten (10) days of notification, otherwise the case may be dismissed.
 - C. In the event a responsive pleading is filed, the Clerk shall forward the case file to the Judge for review.

D. If no action has been taken on a case for a period of thirty (30) days or more, and the case has not been set for trial, the Clerk shall notify the party or parties that the case will be dismissed within ten (10) days unless good cause is shown.

E. When a file has been marked "settlement entry to be forwarded to the Court" and the entry has not been received within thirty (30) days of said note, the Clerk shall notify the parties that the case will be dismissed unless that entry is received within ten (10) days.

4. JUDICIAL REVIEW:

A. After an answer or final responsive pleading is filed, the Clerk will forward the case file to the Court for review. The Court will review the file to determine if a first pretrial is necessary. Said pretrial may be conducted in person, or by telephone if requested by the parties in writing or directed by the Court. In the event that a telephone pretrial is requested, the party making such request will be responsible for initiating such telephone pretrial. Counsel for either party may also request a first pretrial conference.

B. Any demand for jury will be governed by Ohio Law and this Court's Jury Management Plan.

5. MOTIONS: All motions must be in writing and accompanied by a written memorandum containing citations and the legal arguments of counsel. Opposing counsel shall answer in like manner within fourteen (14) days after receipt of said motion. All motions will be considered submitted at the end of the said fourteen (14) day period unless time is extended by

the Court. No oral hearings will be granted in said motions unless specifically requested by a party and the Court deems said oral hearing necessary.

6. PRETRIALS:

A. For the purpose of this rule, the "first pretrial conference", shall mean a conference chiefly designed to set discovery deadlines, discuss disputed issues, and the possibility of settlement and to set a trial date.

B. For the purpose of this rule, a "final pretrial" means a Court supervised conference chiefly designed to produce an amicable settlement and resolve any trial issues. The term "party" or "parties" used hereinafter shall mean the party or parties to the action, and their attorneys of record, if any.

C. Any attorney or party who fails to attend a scheduled pretrial conference without just cause may be punished for a contempt of Court, or otherwise sanctioned in accordance with Civil Rule of Procedure 37.

D. Notice of pretrial conference designating the type of pretrial shall be provided to all counsel of record or parties by mail or by telephone from the assignment commissioner not less than fourteen (14) days prior to said conference. Any application for continuance of said conference shall be addressed to the Court by motion.

E. Counsel attending a pretrial conference must have their parties present, or have full settlement authority. Corporations shall be represented by an officer or employee having knowledge of the factual matters to be tried and who is authorized to act on behalf of said corporation. All attorneys attending a pretrial

must complete the appropriate Pretrial Report and file it with the Court and opposing counsel at least one week prior to the scheduled pretrial date (See Attachments B and C.)

F. At the final pretrial the Court shall attempt to narrow legal issues, to reach stipulations as to facts in controversy and, in general, to shorten the time and expense of any proposed trial. The Court will file a pretrial statement to become part of the record and will encompass all stipulations, admissions, and other matters which have been resolved at pretrial. The Court shall at that time determine whether or not trial briefs should be submitted and shall fix a date for their filing. The Court will further determine whether or not an additional pretrial conference will be necessary before a trial is commenced. The Court shall have the authority to dismiss the action for want of prosecution on the motion of Defendant upon failure of Plaintiff, and/or counsel, to appear in person at any pretrial conference or trial. The Court may also order Plaintiff to proceed with the case and to decide and determine all matters ex parte upon the failure of the Defendant to appear in person, or by counsel, at any pretrial conference or trial as may be required. The Court also retains the full discretion to make such other orders as the Court may deem appropriate and necessary under the circumstances, including sanctions.

G. No additional pretrials will be granted without prior Court approval. Upon completion of the final pretrial, the case will be set for trial if the case is unresolved. Any request for a further pretrial conference shall be made in writing

and set forth the reasons therefore, and shall include whether or not the intervention of the Court is necessary.

7. TRIAL: If the case cannot be settled at pretrial, the case will be assigned for trial at a time agreeable to all parties. Unless a jury demand is timely filed with the appropriate deposit, all trials shall be to the Court.

8. CONTINUANCES:

A. No party shall be granted a continuance of a trial or a hearing without a written motion from the party, or his/her counsel, stating the reasons for the continuance. Opposing counsel shall have the right to respond to said continuance request before a ruling is made.

B. When a continuance is requested for the reason that counsel is scheduled to appear in another case assigned for trial on the same date in the same or another trial Court of this state, the case which was first set for trial shall have priority and shall be tried on the date assigned. Criminal cases assigned for trial have priority over civil cases assigned for trial in accordance with the Rules of Superintendence. The granting of any other request for continuance of a scheduled trial date is within the discretion of the Court.

C. If a designated trial attorney has such a number of cases assigned for trial in Courts of this state so as to cause undue delay in the disposition of such cases, the judge may require the trial attorney to provide substitute counsel.

9. JUDGMENT ENTRIES:

A. Counsel for the party in whose favor an order or judgment is rendered

shall prepare the appropriate journal entry unless the Court directs otherwise. That entry shall be submitted to opposing counsel within five (5) days of the Court's decision. Opposing counsel shall approve or reject the entry within five (5) days thereafter. Within fifteen (15) days of the Court's decision, the journal entry shall be submitted to the Judge, or, thereafter, the Court will be free to prepare its own journal entry.

B. The avoidance of trial by settlement of the parties shall be allowed without appearance so long as an entry reflecting the settlement of the case is filed within thirty (30) days of the date set for trial. If the parties fail to file said entry in a timely fashion, the case may be dismissed by the Court on its own motion for want of prosecution. All journal entries settling cases shall state which party will pay the costs.

C. Upon notification from the Clerk that the case has defaulted, prevailing counsel shall submit an application for default judgment within ten (10) days or the case will be dismissed for want of prosecution.

**ALL CIVIL HEARINGS REQUIRE THE PERSONAL ATTENDANCE OF COUNSEL
UNLESS THE ATTORNEY FILES A MOTION AND ENTRY TO APPEAR BY
TELEPHONE FOR THE JUDGE TO REVIEW AND CONSIDER FOR APPROVAL.**

This rule shall not apply to Small Claims cases.

RULE NUMBER 13

FORCIBLE ENTRY AND DETAINER

1. Actions in forcible entry and detainer shall be filed and proceedings conducted in accordance with provisions of Chapter 1923 of the Revised Code of Ohio and these rules and any amendments made thereto according to law. Motions in forcible entry and detainer cases shall be disposed of at the commencement of the trial or at the initial hearing if the trial is continued.

2. If an action in forcible entry and detainer contains an additional cause of action for money judgment, then such additional cause of action shall proceed under all applicable Ohio Rules of Civil Procedure. If the Defendant is present in such action the Court may proceed to the issue of damages at the time of the forcible entry and detainer, providing time has elapsed or been waived by Defendant.

3. When it is necessary to forcibly vacate real property, counsel shall request that a writ of restitution be issued to the Kenton Police Department or Hardin County Sheriff's

Department. Unless otherwise ordered by the Court, Plaintiff shall post the required deposit of \$85.00 before the writ issues.

4. PROCEDURE FOR EXECUTING WRITS OF RESTITUTION:

- A. Once the Court has issued the writ of restitution, the Plaintiff/Landlord shall contact the Kenton Police Department if the property is located within the Kenton City limits or the Hardin County Sheriff's Department for property located anywhere else in Hardin County. The police department contact person shall be the Chief, and the sheriff's contact person shall be the Sheriff.

Upon contact, the police department shall proceed in accordance with their local policy in such matters. The following is a suggested list of local policies:

1. Upon receiving contact from a writ holder, the location of the premises shall be determined. If the premises are within the jurisdiction of the police department, then a time shall be arranged to serve the writ. The time arranged shall be set according to manpower and shift requirements, but shall be as timely as possible to prevent damage to the premises.

Once a time has been arranged, an officer shall meet the writ holder at the premises and shall serve the writ upon the person(s) named therein. If the person(s) named in the writ cannot be located at the premises, the writ shall be served by posting a copy of same to the door of the premises. The officer shall then stand by while the writ holder enters the premises to insure that the same can be done with safety and without interference. If the person(s) named in the writ

are not present, or likely to appear, the officer shall return to his/her normal duties and return the writ to the Court. If the person(s) named in the writ are present, the officer will stand by the premises to insure that the writ holder can remove items from the residence without interferences. The writ holder, and not the police department, is responsible for obtaining manpower to remove items from the premises. The officer should not participate in removing any items from the premises. Once the items of property have been removed from the premises, the officer should see that the person(s) named in the writ leave the area, and then return the writ to the Court.

2. Upon the Sheriff's Department receiving a contact from a writ holder, the sheriff shall determine if a full time deputy or an auxiliary deputy will handle the request. The Sheriff shall have the deputy contact the writ holder as soon as possible to arrange a time to execute the writ. If an auxiliary deputy is used, any fees collected shall be paid to same. The procedure outlined above for the police department shall then be followed by the deputy executing the writ.

3. A Writ of Restitution for Forcible Entry and Detention must be served within 20 days from the file stamp date. If the Writ of Restitution has not been served, the law enforcement agency will return the writ to the Court.

RULE NUMBER 14

SMALL CLAIMS DIVISION

The Small Claims Division of the Hardin County Municipal Court having heretofore been established by Chapter 1925 of the Ohio Revised Code, the following supplemental rules are adopted:

1. The cost deposit for a small claims case shall be \$80.00 for one Defendant. Each additional Defendant named in a small claims case suit shall require an additional \$20.00 deposit at the time of filing of the petition. Costs and fees will accrue and be paid as in other civil cases.
2. The Deputy Clerk administering the Small Claims Division shall provide to any

person requesting the same a printed complaint on a form acceptable to the Court to be filled out and filed by the person on his or her own behalf or on behalf of a corporation or partnership which such person is authorized to represent. A Small Claims petition prepared otherwise than on the form provided by the Court shall not be rejected if it contains all necessary information and other matters included on the approved form.

3. The Plaintiff(s) and Defendant(s) names and addresses must be full, complete and current. If the Defendant(s) cannot be located at the address(es) provided, the Court will notify Plaintiff by mail of the failure of service.

4. Upon the filing of the complaint, the case will be set for trial and notice thereof included with the copy of the petition sent to Defendant.

5. A Deputy Clerk shall assist the person in filling out the petition upon the request of that person. Such assistance shall not include the giving of legal advice or the wording of the claim, but shall be limited to technical matters within the scope of the Deputy Clerk's normal duties and the mechanics of completing the form. The person filing the petition upon requesting such assistance shall execute a form prepared by the Court acknowledging the basis upon which assistance is granted.

6. The Plaintiff(s) should file a copy of the document that is the basis of the claim. Copies of the supporting documents may be supplied by the Court for service up to a total of five copies. Any copies required in excess of five shall be charged pursuant to the Court rules.

7. A request for a continuance of the trial date for a period not exceeding two weeks later than the original scheduled hearing date may be made at the Clerk of Court's office in writing on a special form provided by the Clerk. No continuances will be allowed unless

requested by Friday of the week preceding the trial.

8. All Small Claims cases will be heard by the Magistrate unless otherwise determined by the Court.

RULE NUMBER 15

TRUSTEESHIPS

(Ohio Revised Code Section 2329.70)

1. FORM: The application for the appointment of a trustee shall include a complete and accurate statement, under oath, of
 - a. The debtor's name, address and marital status.
 - b. The name and address of his/her employer or employers.

- c. The amount of his/her gross earnings for a period of thirty days.
- d. A copy of the fifteen day written notice of proceeding against his/her earnings with the name and address of the judgment creditor sending it.

2. APPLICATION:

- a. Upon the filing of an application, the Judge shall appoint a trustee to distribute such funds to the creditors of the debtor.
- b. The filing of the application shall stay all proceedings against personal earnings of the applicant, provided that, if the order of attachment or the order in aid of execution is served upon the employer or garnishee prior to the time of filing of the application, the personal earnings subject to the order of the Court shall be paid to the Clerk for distribution in the case in which said order was made. In the event the application is filed prior to the time the order of attachment or order in aid of execution is served upon the employer or garnishee, the personal earnings subject to the order of the Court shall be ordered paid to the trustee.

3. NOTICE REQUIREMENTS:

- a. All creditors listed will be notified as required by law and the Clerk will assess appropriate amounts to cover mailing costs.
- b. Additional creditors may be enlisted in the trusteeship upon application and service of a notice to each additional creditor as hereto provided. If such application is made by a creditor, a similar notice must be given to

the debtor, unless the creditor has obtained a judgment in a Court of record.

4. DISTRIBUTION:

- a. The trustee shall make no distribution to anyone except a creditor, an attorney of record for the creditor or an agent of the creditor duly authorized by the creditor to receive such distribution.
- b. The Clerk, or appointed Deputy, shall supervise payments of debtors and distribute the funds. Where a debtor pays directly into the trusteeship, the Clerk shall require the debtor to produce payroll stubs or similar records. The Clerk may refuse to accept payments or installments thereof which do not equal the amount required by law. If the payments made within a thirty day period are less than the amount required by law, the trusteeship shall be dismissed and the proceeds distributed.

5. DISMISSAL: The dismissal of a trusteeship by rule of Court or upon motion of counsel for one of the creditors listed therein shall make the debtor filing said trusteeship ineligible for reinstatement or refiling an application for another trusteeship for a period of six months from the date of the dismissal. Provided, however, that such trusteeship will be reinstated upon the tender and payment to the Clerk as trustee the amount of money required by law to make such trusteeship current to the date of such tender, and approval of the Court is first obtained.

RULE NUMBER 16

2. A praecipe requesting an order in aid of execution shall be accepted by the Clerk for preparation of the execution.

3. In the event a judgment creditor or the creditor's attorney fails to appear for the examination of a judgment debtor who does appear, the presence of the debtor will be noted on the docket and the debtor excused at the creditor's costs.

4. Except for good cause, made known to the Court, no citation in contempt for failure to appear may be issued where more than sixty (60) days have elapsed after the date on which the debtor was ordered to appear.

5. Orders in aid of execution and citations in contempt shall be prepared and filed by the party requesting the orders in a form acceptable to the Court.

8. Entries of confirmation and distribution shall be prepared by the party who requested the sale and shall contain a statement that the sale was regular and proper in every respect unless otherwise directed by the Court, together with a statement of the balance, if any, still due on the judgment.

RULE NUMBER 17

JURY MANAGEMENT PLAN

This local Rule of Practice is being implemented in compliance with Municipal Court

Superintendence Rule 18(C), which requires that each Municipal Court, prior to July 1, 1994, develop and implement a Jury Management Plan. It is the purpose of this Rule to implement an efficient and comprehensive system of jury use and management for the Hardin County Municipal Court.

1. JURY ELIGIBILITY

- A. To ensure that the jury pool is representative of the adult population of Hardin County, Ohio, all persons are eligible to serve on a jury, except as follows:
 - a. Persons less than 18 years of age.
 - b. Persons who are not current residents of Hardin County.
- B. All reasonable efforts shall be made to accommodate prospective jurors who have special needs.

2. PROCEDURE FOR JURY SELECTION

- A. Potential jurors shall be drawn from a jury source list, which shall constitute a list of all registered voters in Hardin County by the use of random selection procedures using automated data processing equipment in conformity with O.R.C. Section 2313.08, and O.R.C. Section 2313.21.
- B. In January, April and August of each year, the Jury Commissioners, duly appointed by the Common Pleas Court, pursuant to Revised Code Section 2313.01, shall convene and select a venire of persons to cover potential jury trial dates throughout the statutory jury terms. The jury source list shall be reviewed and unsuitable names purged from the list in accordance

with the powers provided the jury commissioners by O.R.C. Section 2313.01.

- C. In the event a venire of persons drawn are insufficient to meet the needs for the Court in the calendar year, the Jury Commissioners shall reconvene as necessary to select an additional venire, in accordance with O.R.C. Section 2313.01.
- D. If, in the opinion of the Court, this jury source list is not representative of the adult population of the jurisdiction, additional source lists shall be utilized as authorized by law.
- E. Further, random selection processes shall be utilized to assign prospective jurors to specific venires and for assignment during voir dire.
- F. Departures from random selection shall be permitted only as follows:
 - a. To exclude persons ineligible for service.
 - b. To excuse or defer prospective jurors.
 - c. To remove prospective jurors for cause or if challenged peremptorily.
 - d. To provide all prospective jurors with an opportunity to be called for jury service and to be assigned to a panel.
- G. All prospective jurors shall be notified by regular mail of their requirement of jury service by the issuance of a summons directing them to appear on the date assigned (See Attachment D). Further, all prospective jurors shall be required to complete a juror questionnaire (See Attachment

E) and, if appropriate, a request for excuse, exemption or a deferral (See Attachment F). Said summons shall be phrased so as to be readily understood by an individual unfamiliar with the legal process, and shall be delivered by ordinary mail. Said summons shall clearly explain how and when the recipient must respond and the consequences for his/her failure to respond. Any person who fails to respond to a duly served summons may be served with a citation for contempt of Court, and must appear to answer on said summons or, if appropriate, shall be arrested and detained for examination as to why they failed to attend.

3. SUMMONING OF PROSPECTIVE JURORS

- A. Prospective jurors shall be summoned only upon the filing of a written jury demand, if required. In civil cases, a jury deposit of seven hundred fifty dollars (\$750.00) shall be assessed. If the jury demand is made upon the filing of a complaint or made upon the filing of a responsive pleading, one hundred dollars (\$100.00) of the deposit shall accompany said pleading. An additional deposit of six hundred fifty dollars (\$650.00) shall be tendered no less than three weeks before trial date providing that the jury trial is expected to last only one day. If the jury trial is expected to exceed one day, an additional deposit will be required. In the event either deposit is not made, no jury will be summoned, and the failure to make said deposit shall be deemed a waiver of the right to trial by jury. A person determined to be indigent may petition the Court for a waiver of the jury

deposit requirement.

- B. In criminal cases, no deposit shall be required.
- C. Prospective jurors shall be summoned to appear in sufficient numbers to accommodate trial activity. Panels of twenty five (25) persons per trial shall be summoned for civil cases and thirty five (35) persons for traffic/criminal trials unless the Court determines that a lesser or greater number is necessary for a particular trial.
- D. Every effort shall be made to resolve cases prior to summoning juries. A jury panel shall not be summoned unless it appears that there is a substantial likelihood of trial. If it appears that trial is inevitable, a jury panel shall be summoned at least fourteen (14) days in advance of trial. Those costs associated with the summoning of a jury shall be assessed against the party requesting the trial.
- E. In cases where multiple trials are set for the same date, jury costs shall be assessed to the last trial settled on that date. If a trial is settled on the day of the trial, all lawful jury costs shall be assessed against the party who requested the jury.
- F. Persons summoned for jury service shall receive compensation in the amount of thirty dollars (\$30.00) for a full day and fifteen dollars (\$15.00) for a half day. Such fees shall be promptly paid from the City or County Treasury, as appropriate for jury trials other than civil. In civil jury trials, such fees shall be promptly paid by the Court from the deposit.

- G. Any juror wishing to waive his/her fee for service shall be permitted to do so in writing at the Clerk's office. All waived fees shall be returned to the City or County Treasury, as appropriate.
- H. The term of service for any prospective panel shall be one day, or the completion of one trial, whichever is longer.

4. EXEMPTION, EXCUSE, AND DEFERRAL

- A. All persons, except those who exercise their right to exemption, are subject to service. Eligible persons who are summoned may be excused from service only if it is determined that their ability to receive and evaluate information is so impaired that they are unable to perform their duties as jurors, or that service upon a jury would constitute a significant hardship to them or members of the public. Persons excused from service shall be deferred and may be subject to jury service at a later time. All requests for excuse, exemption or deferral must be made on the form provided, and shall be accompanied by appropriate documentation. These documents shall be retained by the Court.
- B. The following facts constitute a partial, although not exclusive, list of excuses for which a person may be excused or deferred from jury service:
 - a. The interests of the public will be materially injured by the juror's attendance.
 - b. The juror's spouse or a near relative of the juror has recently died or is dangerously ill.

- c. The juror is a cloistered member of a religious organization.
- d. The prospective juror has a mental or physical condition that causes the prospective juror to be incapable of performing jury service. The prospective juror or the prospective juror's personal representative must provide the Court with documentation from a physician licensed to practice medicine verifying that a mental or physical condition renders the prospective juror unfit for jury service for a period of up to twenty-four months.
- e. Jury service would otherwise cause undue or extreme physical or financial hardship to the prospective juror or a person under the care or supervision of the prospective juror. A Judge of the Court for which the prospective juror was called to jury service shall make undue or extreme physical or financial hardship determinations.
- f. The juror is over seventy-five (75) years of age, and the juror requests to be excused.
- g. The prospective juror is an active member of a recognized Amish sect and requests to be excused because of the prospective juror's sincere belief that as a result of that membership the prospective juror cannot pass judgment in a judicial matter.
- h. Any person who has served on a jury within the last year.

A prospective juror who requests to be excused from jury service under

this section shall take all actions necessary to obtain a ruling on that request by no later than the date on which the prospective juror is scheduled to appear for jury duty.

- C. No person shall be excused from jury service, except by the Judge or an individual specifically authorized to excuse jurors. Once a prospective juror has submitted his/her request for excuse, the prospective juror must report for service unless otherwise notified by the Court.

5. EXAMINATION OF PROSPECTIVE JURORS

- A. Examination of prospective jurors shall be limited to matters relevant to determining whether to remove a juror for cause, and to determine the juror's fairness and impartiality.
- B. All prospective jurors shall be placed under oath in accordance with the Ohio Revised Code. The oath administered shall incorporate an oath to assure the truthfulness of the answers provided on jury questionnaires.
- C. Juror questionnaires indicating basic background information concerning panel members shall be made available to counsel the week of the date on which jury selection is to begin, even though all questionnaires may not have been returned. Counsel is permitted to record or note the information contained on the questionnaires, except addresses and telephone numbers, in the Clerk's office. For the protection of the jurors, no questionnaire may be removed from the Court facility. Under no circumstances may counsel or a party retain any juror questionnaire.

- D. Neither counsel nor party will be permitted to question prospective jurors as to matters contained in the questionnaire. Parties and counsel may be permitted to ask follow up questions concerning such information.
- E. The Court shall conduct a preliminary voir dire examination concerning basic and relevant matters, and counsel shall be permitted a reasonable period of time to question panel members thereafter. Counsel or parties shall conform their voir dire questioning to the following rules:
 - a. Counsel may not examine prospective jurors concerning the law or possible instructions.
 - b. Counsel may not ask prospective jurors to base answers on hypothetical questions.
 - c. Counsel may not argue the case while questioning prospective jurors.
 - d. Counsel may not engage in efforts to indoctrinate prospective jurors.
 - e. Prospective jurors may not be asked what kind of verdict they might return under any circumstances. No promises may be elicited from prospective jurors.
 - f. Questions are to be asked collectively of the panel whenever possible.
 - g. Counsel may inquire by general questions concerning the validity and philosophy of reasonable doubt or the presumption of

innocence.

- F. In the event there exists a potential for sensitive or potentially invasive questions, the Court or the parties may request a hearing preceding voir dire to consider these questions.
- G. In all cases, voir dire shall be held on the record, but may be conducted outside the presence of other jurors in order to protect juror privacy, or to avoid juror embarrassment.
- H. If it is determined by the Court during the voir dire process that an individual is unable or unwilling to sit in a particular case fairly and impartially, the individual shall be removed from the panel. Such motion for removal for cause may be made by counsel, a party if unrepresented, or upon the motion of the Court. Further, Ohio Revised Code Section 2313.42 and Ohio Criminal Rule of Procedure 24(B) set forth additional cause challenges which may be made against potential jurors.
- I. Peremptory challenges shall be exercised alternatively as presently established by Revised Code Section 2945.23, and Civil Rule 47, and Criminal Rule 24, unless prior to trial the parties agree on the record to another method. Unless otherwise agreed, all challenges shall be made in open Court. In special circumstances, challenges may be made outside the hearing of the prospective jurors. There shall be no limit to challenges for cause, however peremptory challenges shall be limited to that number as established by the Rules of Civil and Criminal Procedure.

- J. Challenges to the jury array shall be made in accordance with established rules or procedure.
- K. In criminal cases, the jury shall consist of eight regular jurors and one alternate juror. In civil cases, the number of jurors shall be by agreement unless no agreement can be reached, then the Rules of Civil Procedure shall apply. In special circumstances, additional alternate jurors may be selected.

6. JURY ORIENTATION

- A. Jurors shall report for service no later than 8:45 A.M., unless otherwise directed. After orientation, voir dire shall commence promptly. All unresolved trial issues must be brought to the attention of the Court before the completion of orientation. No motions shall be entertained by the Court the day of trial, except those which the Court must consider by law or by rules of procedure.
- B. Prospective jurors shall be provided with written orientation materials upon their initial appearance and prior to service. The Court shall give preliminary instructions to all prospective jurors, as well as additional instructions following the impaneling of the jury to explain the jury's role, trial procedures of the Court, along with other basic and relevant legal principals.
- C. Upon the completion of the case, and prior to jury deliberations, the Court shall instruct the jury on the law and the appropriate procedures to be

followed during the course of deliberations. In accordance with Civil and Criminal Rules of Procedure, the parties or their counsel may request that special instructions be given to the jury.

- D. A final jury charge shall, whenever possible, be committed to writing, and shall be provided to the jury for its use during deliberations.
- E. All jurors may be permitted to take notes during the course of the presentation of evidence after proper instruction by the Court. Upon agreement of counsel, jurors shall be permitted to ask questions of witnesses subject to Court approval, and upon appropriate instruction.
- F. Upon appearance for service, all prospective jurors shall be placed under the supervision of assigned personnel and shall direct any questions or communications to such Court personnel for appropriate action.
- G. All communications between the Judge and the members of the jury panel, from the time of report to the Court through dismissal, shall be committed to writing or placed on the record in open Court. Counsel for each party shall be informed of any communication, and shall be given the opportunity to be heard as to such communications. Under no circumstances shall counsel, a party, or other witnesses have any contact with jurors.
- H. All jury deliberations shall be conducted in the jury deliberation room. Jury deliberation rooms shall include furnishings and facilities conducive to reaching a fair verdict. Court personnel shall endeavor to secure the

safety of all prospective jurors, and shall arrange and conduct all activities so as to minimize contact between jurors, parties, counsel and public.

Upon the commencement of deliberations, all jurors shall remain in the care of Court personnel and shall not be permitted to leave the Court without permission.

- I. Deliberations shall not continue after a reasonable hour, unless the trial Judge determines that evening or weekend deliberations would not impose an undue hardship upon the jurors, and are required in the interest of justice. Jurors shall be consulted prior to any decision.
- J. If jury deliberations are halted, jurors shall be permitted to be separated, unless for good cause shown, the Court finds that sequestration is necessary. If a jury is sequestered, the Court shall undertake the responsibility to oversee the conditions of sequestration and the transportation of all jurors.
